

Welcome to the Vance minute. I'm Joe B. Wiles with the Public Affairs Office...

Senior Airman Danielle Jamison, a mental Health technician with the 71st Medical Operations Squadron, is the October Airman of the Month.

From Charleston, South Carolina, Airman Jamison has served in the Air Force for three and a half years, and spent the past nine months at Vance.

The 2014 Combined Federal Campaign kicks off at Vance September 30th with a breakfast of eggs, sausage and pancakes at the Community Chapel Activity Center.

The mission of the CFC is to promote and support philanthropy through a program that is employee focused, cost-efficient, and effective in providing all federal employees the opportunity to improve the quality of life for all.

During the 2013 campaign, Team Vance donated more than 92 thousand dollars for the many charitable organizations around the world that benefit from the Combined Federal Campaign.

That's your Vance Minute...have a great Air Force day.
